[Hi Denise](#)

Please find attached page 2 of the budget table. I forgot to include it in the email I sent yesterday to Angela. If you can't reach Yolanda, please feel free to call me to discuss your other comments.

Thanks

Hi, Nancy!

Do you know who is dealing with the Superfund grants at PREQB? I'm trying to get a hold of Wilmarie Rivera and Pascual Velazquez in regards to their grants but I've not heard anything from them. As far as I know Wilmarie is not in charge of the Superfund grants anymore.

Thanks

Denise

Angela:

We need to contact PREQB to clarify and request some documents such as:

- PREQB revised Budget Information Table (OMB form # 0348-0044) did not include page #2, which needs to reflect the information on their revised budget.
- I want to speak with PREQB to clarify some travel costs on their revised budget and ask them to change/add some language to their work plan (minimal changes).

- We should also ask for an updated **Indirect Costs Rate (IDC)** table (page 43 of the pdf file entitled Cabo Rojo SF SiteFY12). PREQB submitted a revised budget table with a 29.76% provisional IDC rate which is different than the IDC rate on page 43.

I'm trying to find out who is the person in charge of this application at PREQB. As far as I know, Wilmarie Rivera is no longer working with this CA grant.

Please let me know if you agree.

Denise

Please review these asap. As none of you are PO's I'm stuck with this until Michael and Mel get certified. Happy to help but I need some input.

Thanks

Hi Angela,

Per our phone conversation, please find attached the Cost Review Forms that I prepared for both sites. If you agree with the information included, please sign and date each form and send them back to me. I will upload them into IGMS once I receive the signed copies so we can proceed with the award. I also included a copy of the applications, including Cabo Rojo's revised budget, in case you need them. Please call me if you have questions.

thanks
